5/3/68

Dear Lou,

Sorry about the delay. This was in the stack of mail awaiting me on my return two weeks ago. By the time I got down to it, it was pretty close to 5/3/68, the day Lou told me Jim would be here, so I held it, like the other enclosures, for hand delivery.

There is a jinx on Gary's mail. Some of it never reached you. Some never reaches him. The third copy of the DCA film, registered, is not there, and the second, insured copy, also never arrived.

Good thing. It's made the DCA people mad and more inclined to be helpful!

Sincerely,

Harold Weisberg
